

## Sutter Auburn Faith Hospital

### About Us

Sutter Auburn Faith Hospital is a 78-bed, acute care hospital nestled in the heart of California's Gold Country at the base of the majestic Sierra Nevada mountains in Auburn, California. An integral part of the Auburn community, Sutter Auburn Faith Hospital provides health care, using the latest technologies, while maintaining the small-town friendliness and charm.

Founded in 1966 by a group of caring physicians, the hospital is now the hub of a network of Sutter Health services in Auburn and surrounding foothill communities. The hospital's services and relationship with the not-for-profit Sutter Health system bring a wealth of resources and advanced technologies that ensure quality patient care. Today, the hospital continues to focus on the needs of the people it serves, advancing with the times and growing with the community.

Sutter Auburn Faith Hospital is fully accredited by the Joint Commission on Accreditation of Healthcare Organizations.

### About Sutter Health

Serving patients and their families in more than 100 Northern California cities and towns, Sutter Health doctors, hospitals and other health care service providers join resources and share expertise to advance health care quality and access.

The Sutter Medical Network includes many of California's top-performing, highest quality physician organizations as measured annually by the Integrated Healthcare Organization. Sutter-affiliated hospitals are regional leaders in cardiac care, women's and children's services, cancer care, orthopedics and advanced patient safety technology.
