

Sutter Davis Hospital

About Us

Sutter Davis Hospital has been caring for our community's diverse needs for more than 40 years. Recently named one of the Best Places To Work in Healthcare, the Sutter Davis Hospital is committed to providing superior quality health care, with compassion and respect. The 48-bed hospital sits on a 20-acre medical campus nestled in the heart of Davis. Designated a Top 100 Hospital by Thomson Reuters, Sutter Davis is a technologically advanced acute care hospital, with a strong offering of outpatient services and community outreach programs.

Our not-for-profit mission of providing high-quality, cost-effective health care with compassion and excellence has a rich history in Yolo and Solano counties. Our staff is dedicated to providing the best service possible, with the highest regards to quality and patient safety. We were recently recognized as one of the top hospitals in the country for patient satisfaction, and continually rank in the top 10 percent in the country for our quality indicators. Being part of Sutter Davis Hospital not only comes with pride in what we do, but pride in the communities we serve.

About Sutter Health

Serving patients and their families in more than 100 Northern California cities and towns, Sutter Health doctors, hospitals and other health care service providers join resources and share expertise to advance health care quality and access.

The Sutter Medical Network includes many of California's top-performing, highest quality physician organizations as measured annually by the Integrated Healthcare Organization. Sutter-affiliated hospitals are regional leaders in cardiac care, women's and children's services, cancer care, orthopedics and advanced patient safety technology.
