

Sutter Medical Center, Sacramento

About Us

Sutter Medical Center, Sacramento (SMCS) has two acute care hospital campuses, Sutter General and Sutter Memorial, and has provided health care to residents of Sacramento since 1923. Sutter Medical Center, Sacramento also includes Sutter Center for Psychiatry, providing psychiatric, mental health and chemical dependency services since 1958, and Sutter Oaks Midtown, a 100-bed skilled nursing facility. With 823 licensed beds, SMCS is not-for-profit and fully accredited by the Joint Commission on Accreditation of Healthcare Organizations.

Sutter Medical Center, Sacramento is currently undergoing an expansion and renovation project to meet the needs of the growing Sacramento area. Scheduled to be completed in early 2013, the Sutter Medical Center campus will include the new Anderson Lucchetti Women's and Children's Center, a renovated Sutter General Hospital, a new medical office building and outpatient surgery center, and a renovation of Sutter Cancer Center.
