

## Sutter Solano Medical Center

### About Us

For more than 100 years, Sutter Solano Medical Center has been committed to the community by providing emergency care, delivering babies and serving others in time of need. The medical center has 102 licensed beds and is fully accredited by The Joint Commission, an independent, non-profit with the mission to continuously improve the safety and quality of care provided to the public.

Sutter Solano Cancer Center, located on the hospital's campus in Vallejo, is fully accredited by the Commission on Cancer of the American College of Surgeons – a recognition only one in four cancer centers receive. Comprehensive cancer services include chemotherapy, infusion therapy, laboratory and pathology, pain management and radiation therapy.

### About Sutter Health

Serving patients and their families in more than 100 Northern California cities and towns, Sutter Health doctors, hospitals and other health care service providers join resources and share expertise to advance health care quality and access.

The Sutter Medical Network includes many of California's top-performing, highest quality physician organizations as measured annually by the Integrated Healthcare Organization. Sutter-affiliated hospitals are regional leaders in cardiac care, women's and children's services, cancer care, orthopedics and advanced patient safety technology.
